

The Modern Fusion Meatless Cuisine

Best Natural Flavours from Our Kitchen

“Experience The Best Natural Flavours”

Roots were planted in 2020 with a vision for a restaurant promotes a healthier and sustainable future by prioritizing plant-based diets. This initial idea, cultivated over time, blossomed into reality in 2022 with the establishment of Roots.

Roots is more than just a restaurant—it's a visionary endeavor at the intersection of culinary innovation and environmental stewardship. Our mission extends beyond serving exceptional meatless cuisine; we are committed to promoting a sustainable environment through our plant-based concept.

Food from Heart

Our Artisan Sourdough Pizza is made from old levain with love and passion. Most importantly, the pizza dough is blended with semolina and fermented for at least 36 hours in low-temperature.

Nothing can beat the flacourful bites especially the rustic crust.
